

This is a hilarious collection of email exchanges starring the anti-hero of spam, Bob Servant. Spam is the plague of the electronic age, comprising 90% of all emails sent and conning over ?150 million a year from British victims. Into this wave of corruption steps the brave figure of Bob Servant - a former window cleaner and cheeseburger magnate with a love of wine, women and song as well as a keen sense of fair play. This wickedly funny and original book features the anarchic exchanges between Bob and the hapless spam merchants. As they offer Bob lost African millions, Russian brides and get-rich-quick scams he responds by generously offering some outlandish schemes of his ownâ€¦ Cameron Stewart reads this laugh-out-loud collection from Neil Forsyth.
