

Such are the pearls of insight generously dispensed with wisdom, wit, and emotional resonance from the bestselling authors who write all about it in *Fall in Love Like a Romance Writer: The Secret Keys to a Long and Lasting Love*. Award-winning novelist Amelia Grey takes us on a journey with more than sixty-five of the romance worlds most beloved storytellers whose personal experiences with that old black magic reveal a wealth of knowledge about the language of love and what makes it work?or not. At turns entertaining, thought-provoking, poignant, and unexpected, *Fall in Love Like a Romance Writer* is far more than a collection of essays. It is a collection of secrets that contain the keys to a love that will endure. As critically acclaimed author Jean Brashear advises, A long love affair needs a special, private, safe place to grow and blossom. Creating that space is, I believe with all my heart, both the joy and the most sacred duty of a marriage. Fall in love! and bloom.
