

[Siren Everlasting Classic ManLove: Erotic Alternative Paranormal Romance, M/M, werewolves, public exhibition, HEA] Priest Mosley moved to Brac Village to start over. He wanted a quiet place to settle down and start his own business. What he hadn't expected was Randy. Priest isn't sure about the small man's advances, but what catches his interest are the bruises he sees on the man's body. Randy Pomell was working his dream job at the local floral shop. But his nightmare wouldn't go away. His uncle's abuse was escalating, and Randy didn't see any way out. When Uncle Fred goes too far and Randy ends up in the hospital, he knows he can't keep living this way. Can Randy find a way to break the silence, or will Fred go too far? Priest decides to befriend Randy just to find out who his abuser is, but what he finds leaves him speechless and questioning his very sanity.
