But he'll have to find a way to overcome those demons that still haunt him to be the man she needs him to be or risk losing her forever. The only thing Jordan knows to be true is Gage loves her. She doesn't know why Hailey wants her dead or why a billionaire wants to help her kill her, but together with the man she loves, they'll work to unravel the mystery behind Hailey's plan. But will it be in time, or will she lose him again, this time for good?
